

# Unplugged Sunday - An Invitation

Welcome! Thank you for your interest in contributing to Unplugged Sunday. We are looking for folks from all over the world who are practicing their own form of 'unplugging' on a regular basis.

**Would you like to be one of our regular writers?** The way our editorial calendar is arranged, your commitment would need only be once every two months (give or take a week).

**Your photo/bio would be added to the "Our Writers" page of the website.** We LOVE to promote the heck out of our contributors! There will also be a link to your blog/website within each of your posts.

## Writing for Unplugged Sunday

**For the sake of continuity, a blog written by several authors works best with a unified style** - a cohesive feel to the project. It might seem awkward in the beginning, but following a style guide becomes comfortable very quickly. If you come on board as a regular writer, you will have access to our private website that is set up for our writers. It gives further details and tips for writing a blog post for Unplugged Sunday.

### In a nutshell:

- Posts should be between 400-900 words.
- Photos submitted should be **640 mega pixels wide**. Each post should contain at least one photo, preferably a few.
- **Be authentic and share your story, that's the best kind of post!**

Email us if you are interested!

- Please tell us what Unplugged Sunday means (looks like) for your family.
- If you write a blog, include a link to that.
- Do let us know what topic(s) you'd like to write about! (Out of Doors, Center, In the Kitchen, Create, Hospitality)

**We look forward to hearing from you!**

Take Care,
